2019 HEART AND CARDIOTHORACIC SURGERY CONFERENCE

Theme: Discovering the Science of Heart

AUGUST 12-13

GEO, INDIA

HTTP://HEART.EPISIRUS.ORG/
Dear Friends and Colleagues:

It is our pleasure to invite you to attend Scientific Sessions 2019 in Goa, India during April 12-13, 2019. The 2019 Heart and Cardiothoracic Surgery Conference (2019HCS) offers an unparalleled opportunity to learn from the professional leaders in cardiothoracic surgery, cardiac science and clinical practice.

This annual event will provide you with many opportunities to network with colleagues from around the world in an exciting and amicable environment. The scope and quality of the scientific exchange makes 2019HCS Scientific Sessions the premier cardiovascular research and instructional meeting in the world. This event features two days of the best in cardiovascular clinical practice and scientific content covering all aspects of basic, clinical and case content.

Scientific Sessions is at the very forefront of the 2019HCS mission to build healthier lives, free of cardiovascular disease and leads the world in innovative learning opportunities for attendees through unprecedented exposure and mutual exchange of ideas and experiences.

We hope that, despite the intense Program, you will be able to get some glimpses of the Incredible India which would unite Unique History, Adoration and Fantastic Future. We do hope that you will enjoy the Conference and that your interaction with your colleagues will stimulate a creative exchange of ideas and will be personally rewarding!

For these reasons and many more, we hope you'll join us in Goa this coming April 2019.

Sincerely yours,

Dr Suresh Bhagia

Travel Reimbursement*  
Best Conference Ambassador Award

This offer expires November 30, 2018.

For more details Please Visit: http://heart.episirus.org/ambassador/
Our programme aims to bridge the gap between basic and translational science, with an emphasis on large-scale approaches and innovative technologies in the fields of Cardiology, Cardiac Surgery, Hypertension, Cardiac Nursing, Cardiovascular Medicine, Healthcare and many more.

We foster discussion and debate of the innovations by maximizing interactions, collaborations and networking opportunities for researchers and clinicians from academia, industry, and healthcare professionals. Exhibitors and sponsors have the opportunity for face-to-face networking with leading scientists and clinicians, increase brand awareness, and develop collaborations with an international audience.
